

One on One Image consulting Package Details

IMAGE SCOPE

Image Scope includes a need analysis by understanding the current status of the client in terms of Image Management and then identifying the areas to work upon.

LOOK THE PART

Appropriate dressing is all about understanding the messages that need to be sent keeping in mind your roles, goals and occasions. This session guides a client through effective use of the International Style Scale to understand language of clothes.

WARDROBE EVALUATION & THE ART OF CLUSTERING

This session includes evaluation of your wardrobe to understand what works and what doesn't for you and why. Based on the wardrobe evaluation, the consultants advise on what needs to be discarded and what needs to be bought using the concept of cluster to get more variety with lesser expense. A shopping list is then created which is just right for you.

STYLE YOUR SHAPE & SHAPE YOUR STYLE

Understanding your body shape and then the countering and repeating techniques co-manage body variations is what makes one look attractive. This session includes body shape evaluation and suggestions on dressing as per the same to present the best you.

DISCOVER YOUR INDIVIDUALITY THROUGH PERSONAL STYLE

Each individual has a personal style based on their values and traits. However it is an involved process to identify the same. This session includes personal style evaluation and then recommendations on presenting an Image which is authentic.

WEAR YOUR COLOR

This session includes personal color evaluation and then recommendations on fashion color combination in order to be in color harmony. Samples of color combinations will also be provided. Accessories selection will also be suggested.
